# SPONSORSHIP OPPORTUNITIES

*Family is  
New Hampshire's  
Best Investment*

**Help children thrive in  
safe and supportive  
environments by  
becoming a sponsor.**

At New Hampshire Children's Trust (NHCT), we are working towards a New Hampshire where every child has what they need to flourish, where families receive support to overcome challenges, and where communities stand together to create a brighter future for everyone.

We firmly believe that children and families are the foundation of our communities. Our focus on Primary Prevention is vital because when families are safe, strong, and supported, the positive impact is felt by everyone. By proactively addressing the root causes of child abuse and neglect, we can create a more resilient community built on a foundation of stability and care.

By supporting NHCT and our Primary Prevention initiatives, you are enabling us to:

- Strengthen families by providing concrete supports in times of need, like diapers and wipes, as well as flexible funding to provide immediate economic relief.
- Provide training, technical assistance, and professional development opportunities to family strengthening agencies who work directly with thousands of families throughout NH.
- Create awareness campaigns to elevate Family Support NH and the resources available to all Granite State Families.

We hope that you will join us in our mission to build an ecosystem of family strength, because as we all know, family is New Hampshire's best investment.
